A GROWING NEWSPAPER — A GROWING COMMUNITY

Volume 52 No. 10 | CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA | Friday, January 24, 1947

'round town

with Betty Allen...

The Country Woman's Club is getting a little discouraged with the broken window problem in the library. The club recently paid for 13 windows which had been broken by small boys shooting beebe guns only to have another window broken Sunday by a prowler who gained entrance via the smashed glass. It is believed that the prowler was frightened away before taking anything.

The Robert Rolls, formerly of Campbell, have a novel way of entertaining their guests at their Chemeketa Park home. The H. F. Cousins were spending a quiet Sunday afternoon with them when the fire engine from Alma arrived and the whole community turned out to help them extinguish a blaze in a house directly behind the Rolls.

Gilbert A. Lathrop, well-known writer of Campbell, not only writes good railroad stories but he looks the part as proven by Warren Chase Merritt's portrait of him which has received honors at the California Palace of the Legion of Honor in San Francisco. The watercolor is called "Railroader" and is another link between the two men. Merritt, formerly of Los Gatos and now of Campbell, was responsible for luring Lathrop to the Santa Clara Valley from his Colorado home. He illustrates many of Lathrop's stories for Railroad Magazine. There's good reason why Lathrop was a good subject because he's a real railroader, combining his writing with a job for Western Pacific Railroad.

Vern Balcon, Campbell Theater manager, is very much in the good graces of the Theta Rhos since he let them wash the front of the theater with tooth brushes as part of an initiation rite and also introduce new members on the stage.

STUDENTS ELECT OFFICERS

At last week's student body election in the Campbell Union High School, Dick Gouley was elected by a margin of 60 votes as president of the student body.

The new council members elected are Pat Evans, Dan Filice and John Giacomazzi.

BUS DRIVER HONORED

At the Fathers' Night pot luck supper of the Campbell Grammar School PTA, Jan. 14, Les Davidson was presented with a gift from the PTA by Arthur Tindall at the close of a talk on bus driving given by Tindall. The gift was a token of appreciation of the careful and safe driving of the Campbell school bus for the past 25 years.

About two hundred and fifty parents and children sat down to the first pot luck held in the grammar school in many years.

After the supper the group gathered in the school auditorium for group singing under the direction of C. P. Klassen. The meeting was then opened by the President, Mrs. J. W. Knowles.

Mrs. Betty Merritt reported the purchase of $100 worth of audio visual equipment for the school, and it was reported that the rag drive netted $81.

A symposium discussed the subject, "Understanding Makes Good Parents"; the panel consisted of L. E. Cross, Rev. Lawrence Osborne, L. Hill and Joe Gomes with J. W. Knowles, coordinator. They talked on the sub topics, emphasis on need for parent education programs, importance of radio and motion pictures in connection with youth attitudes, understanding of educational and work opportunities for youth, and right family attitudes toward money, work and community service.

Appliance Store To Open Monday

Every woman is deeply interested in home appliance stores for they contain so many of her dreams of the "post war" world. The well-stocked Accardi's Home Appliance Store which opens here Monday will interest every woman in the community for it has so many of the latest devices for making housekeeping pleasant.

Located at 81 W. Campbell, between Nelson Grain Co. and Nelson's Sport Shop, the store is designed attractively to display a complete line of General Electric appliances, Wedgewood gas ranges and Apex washers and ironers.

Owners of the new establishment are Frank Accardi and his son, Orrin.

Accardi, who was recently re-elected president of the Gas Appliance Dealers of Santa Clara County, is experienced in his business for he has been with Nathan Dohrman for 26 years. Orrin Accardi, his son, has been recently discharged from the Merchant Marine after three years' service.

The Accardis are interested in kitchen planning and kitchen layouts and feel that a complete planning program for either a new house or a remodeled one is as important as the appliances used. They intend to specialize in this service.

Scouts Anniversary

Cub Scouts, Boy Scouts and Senior Scouts throughout the Santa Clara county Boy Scout Council are completing plans to observe the 37th anniversary of Scouting in the United States during Scout week from February 7 to 13, according to Robert C. Kirkwood, chairman of the council campaign and activities committee.

Unit leaders of the 76 organized groups have announced parent night programs, unit reunions, pot luck dinners, and outdoor events planned as their part in the national celebration.

District courts of honor and rally programs will be included in the district observance and on a council-wide basis the anual dinner meeting of the organization is set for Saturday evening, Feb. 8.

In commenting on Scout Week, Chairman Kirkwood stated that over 1,900,000 boys and their leaders will celebrate this occasion throughout the United States as active members of the Boy Scouts of America. In addition to this group, over 12 million boys have been identified with Scouting since February 8, 1910, and this group will join in the celebration.

TAKES INSURANCE AGENCY

W. W. Johnson, San Jose-Los Gatos Road, has recently taken the agency for the Farmers' I nsurance Co. in this area. At present he is recuperating from an attack of flu.

PATROL SERVICE STARTING HERE

Paul Amsberry has spent the past week soliciting customers for his "Paul's Private Patrol," a service designed for private residents in the area. Those subscribing to his service will be on the route which he will patrol from 7 p.m. to 5 a.m.

Formerly associated with the California Detective Agency, Amsberry has been in police work for 13 years and has also served as a driver for Bigley's Ambulances. He expects to live at the Campbell Hotel.

Betty and Martin Allen announce that negotiations for the sale of The Campbell Press have been completed and that on February 1st the paper will become the property of Patrick H. Peabody.

We are pleased that our association with the people of Campbell will not be terminated but continued in new capacities. Martin Allen will serve as assistant general manager of the Patrick H. Peabody Publications which include, in addition to The Campbell Press, the Sunnyvale Standard, the Los Altos News and the Saratoga Observer. Betty Allen will remain as editor and advertising manager of The Campbell Press.

We are sure that the new publisher will maintain the same high standards of community service that we have endeavored to offer and we extend to him our best wishes for the continued success of the paper.

We wish to thank the people of Campbell for their generous patronage and stimulating interest which has contributed so much to the growth of The Press.

Steindorf Attends Cherry Meet in D.C.

Last Saturday, Frank L. Steindorf of Campbell left for Washington, D.C., to discuss the cherry tariff with government officials. In his capacity as chairman of the County Farm Bureau's Cherry Commodity Section he will represent Farm Bureau cherry growers.

Farm Bureau officials said it was feared that under new trade agreements the cherry tariff might be lowered, inflicting heavy loss to Western growers.

Included in Steindorf's group will be cherry grower representatives from the San Joaquin valley, Santa Rosa and the Pacific Northwest. Steindorf was authorized to participate in the discussions by a Farm Bureau cherry growers' meeting.

GET DRIVING LICENSES SUSPENDED

Arthur Wagner, Rt. 2, Box 630, Pollard Road, was convicted last week in Sunnyvale for driving while under the influence of intoxicating liquor and had his driver's license suspended for 30 days.

Also receiving a suspended driver's license for 30 days was Glotis Odell McElhaney of 82 Dillon Ave. who was convicted for the same offense in the Campbell Justice Court.

SENIOR CLASS CHOOSES PLAY

The senior clas of the Ca mpbell Union High school has chosen "Life of the Party" for its play production in March. Dean Chamberlin, director, began tryouts last week and the cast will be selected soon.

The play, written by Marijane and Joseph Haynes, is a comedy concerning the Hughes family. Mr. Hughes is the "Junior Miss" type of father who is never quite able to figure out what is going on, while his flighty wife is somewhat of a snob. Their children furnish the hilarious antics which make the play hilarious from beginning to end.

Campbell vs. S. J. High

By Dave Woods

In a pair of rather wild contests the Campbell Hi School Buccaneers split a twin bill of basketball with the San Jose High School Bulldog Reserves. The difference between the two teams in the varsity game, which was won by San Jose, 37 to 27, was 6 ft. 10 in. Jim Bell, the Bulldogs center. Bell, while scoring 34 points, tallied all but three of his team's total. For the locals Mel Estrada and Wayne Buck led the way. Mel dropped in 10 points as Buck tallied 7. The Buc 130s ran up their biggest score and had the most high scorerers as they spurted in the fourth quarter to whip San Jose, 32 to 26. Monte Dayton led with 8 points, with Anthony Ciraulo following with 6. Fanilli led the losers with 13.

CAMPBELL VS. BOULDER CREEK

In two fairly easy contests, played Jan. 14 in the Buc gym, the Campbell Union High School cage squads outscored Boulder Creek High, 38-29, in the varsity, and 22-16 in the 30s. The heavyweights had the hardest game and they had to wait until the fourth quarter to pull out in front by a safe margin. As usual the Estrada's led the locals both on defense and offense, as Mel scored 9 points, with Levi close behind with 8. Wayne Buck celebrated his recovery from his broken leg by playing a fine floor game and tanking 7 points on long shots. Also Reg Gazay looked good while scoring 6 points. Pesent led the visitors with 12 digits; six of them were free throws. In the 130-lb. tilt a tight defense held Boulder Creek to only three field goals, which made the game quite simple. Monte Dayton and Delbert Ambler led the winners' scoring with 7 each. Ron LaMar followed with 5. Rogers paced the visitors with 10 points. He also made 6 of his points on free throws.

People Decide Against Incorporation 384-374

In one of the most hotly contested elections ever held in the County, the proponents of incorporation for Campbell lost by a margin of 10 votes. At one time, those in favor had a margin of over forty votes but toward the end of the counting the score evened out to a neck and neck race ending in a total vote of 384 against and 374 in favor.

Since only four absentee votes have been received in the County Registrar's office they will not affect the voter's decision one way or the other.

A small group of interested citizens watched the counting and tension mounted as the outcome became more and more close. Because a great many people who voted against incorporation marked their preferences for the elective officers it was necessary to to tabulate these votes which slowed the counting materially.

A few voters wrote the names of write-in candidates on their ballots. Among the names of write-in candidates appearing were those of George Jeffers, Dan Clark, Carl Field, Guy Farley and R. Schaeffle, Karl Bohnett, Walter Silberbaur, Oliver Jensen, William Mc Caughy and Roy Ford.

The election board was comprised of Mrs. J. W. Knowles, Mrs. Ethan Lanphear, Mrs. D. Clark and Mrs. Ira Grim.

The vote cast is believed to be the largest percentage ever voted in Santa Clara County. Out of a total registration of 1,088 within the proposed area, 758 voted, this being approximately 71% of the total registration.

The defeated candidates and the number of votes polled are as follows: Joseph Gomes, 386, Earl Buck, 371, William Harrison, 365, Ray Fish, 360, William Wolff, 353.

A. E. Brydon runing for City Clerk received a total vote of385

In the only contested office Mrs. Claudine Hancock had a lead over Mrs. Mae Greaves for City Treasurer. Mrs. Hancock received 244 as against the 185 votes for Mrs. Greaves.

Leaders of the incorporation movement said last night that they felt the strong approval shown for incorporation as evidenced by the close vote indicated the need for further planning toward civic betterment.

Jones Service Leads In Baseball League

Last week Jones Service defeated American Legion, 35-31, thus holding the lead in the Campbell Basketball League. Andy Livacich and Ivan Lobrovich tied for high honors for the winners. Mich Lobrovich had a very good night scoring 15 digits for the American Legion.

In the second game of the evening Strong Bros. were handed a defeat by Field Store. This was a very close game until the final few minutes when Dewey Kosich, the Field's center, began to hit the basket. Dewey was outscored by his brother Wes for high honors, who scored 15 points. Rose scored 11 points for Strong Bros.

Tuesday night Nelson's Sport Shop drubbed Strong Bros., 43-22. Bud Grenville paced the winners with 13 points, while Rose scored 9 points for the losers. In the second game of the evening the American Legion team outscored Field Store in a very close game, 35-34. By winning this game, the Legion put themselves in a tie for second place with Field's Store. Mitch Lobrovich proved to be the high scorer again for the Legion with 14 points. Dewey Kosich scored 17 points for Field Store.

Campbell Precincts 4 to 1 for Central Fire Districts

Surrounding areas outside the Campbell Fire District voted 4 to 1 for a central fire district as shown by the vote in the following precincts:

Cambrian—Yes, 149; No, 23.
Union—Yes, 200; No, 33.
Campbell High School—Yes, 122; No, 46.

WHAT NOT EXPANDS

On Monday, Jan. 27, work will start on the expansion of The What Not and the store will be closed for one week. The work will include alterations in the building and the addition of more space to the display area.

When the store re-opens on Monday, Feb. 3, several new lines of merchandise will be added, among which will be Columbia Records.

Mr. and Mrs. Ray Fish, owners of the distinctive gift shop and lending library, leave tomorrow for Los Angeles to attend the annual Gift Show held at the Hotel Biltmore there.

Join Campbell Fire Districts

Approved by the Board of Supervisors was the petition of a number of residents residing outside the Campbell Fire District to be included. All property west of the Santa Clara-Los Gatos Road and between and including both sides of Latimer Ave. and Rosemary Lane is now in the Campbell District.

Cadet Training Returns To C.U.H.S.

The California High School Cadets program has returned to Campbell after an absence of several years.

The High School Cadets are administered as part of the general educational program of the school. The cadets receive scholastic credit towards graduation for acceptable performance in the cadet courses of study.

Membership in the cadets does not create or impose upon the cadets any military duties or obligations. It also does not change the civilian status of the cadet and does not enroll the cadet in any federal or state military force. It is entirely voluntary. The period for which it is scheduled is fourth period.

There are already 35 boys signed up. There are considerably more boys than can be taken care of. The classes will be instructed by Lieutentant Colonel N. Warren Sheldon.

SCHOOL BUS DRIVERS TO GET TRAINING

School bus drivers of Santa Clara County will be taught latest first aid methods in a course to be held at Campbell Union High School conducted by San Jose Red Cros Chapter in cooperation with the Santa Claara County School Department. Opening class will be Wednesday evening, January 29, at 7:30 o'clock.

"Safeguarding the children in the community is the primary objective of this training," said Leonard M. Scroggins, first aid director, San Jose chapter, in announcing the classes. "However," he went on to say, "the class is open to all who wish to enroll, since not only bus drivers but everyone should be prepared to take care of accident victims until the doctor comes."

Methods of first aid to be taught by Anthony Amori, instructor, include several new changes, primarily in treatment of shock and wounds, transportation of victims from the scene of accident, and splinting.

The training center at Campbell Union High school is one of five centers established by San Jose chapter to teach these new methods to 84 bus drivers of Santa Clara county who will participate in the program. This training program has been endorsed by Dr. O. S. Hubbard, county school superintendent.

EDITORIAL

At the time this editorial is being written no one knows whether the voters of Campbell will elect to be a city or remain unincorporated—however, the fact that there is an election is due to the efforts of one man.

This man, George Arlidge, has devoted more time and effort than most people devote to their businesses to work toward the development and orderly progress of Campbell. He has been tireless in his pursuance of his objectives and his unselfish interest in community welfare is highly commendable.

Whichever way the election goes, the mere fact that he has stirred the town u p to an awareness of its problems and its destiny has been of benefit.

RECIPE FOR PEACE

Starting with an honest prayer,
Add a leaven of meditation,
Then season with a little care
And blend it with our nation.
Next, we add some patience,
And perserverance, too,
Stir in a little vigilance,
Then mix it thru and thru.
Mold it with human kindness,
Bake with the warmth of a smile,
Feast with single mindedness,
Enjoying its strength, all the while.

COUNTY RESIDENTS AWAIT BALLET

S. Hurok's Original Ballet Russe arrives in San Jose next Monday night, January 27, with its company of 150 and symphony orchestra, presenting four ballets which will feature the world's greatest dancing stars. Markova and Dolin will dance the "Pas de Deux" from the "Nutcracker Suite," to music of Tschaikowsky. Alicia Markova is declared by Time magazine to be "unquestionably the world's greatest dancer." "Les Sylphides" is one of the greatest classics of pure Russian ballet, while "Graduation Ball," to music of Johann Strauss, is a gay, romping, delightful bit of fun, one of the most popular ballets in the repertory. The program will be climaxed with "Scheherezade," to music of Rimsky-Korsakoff, one of the most lavish, magnificently sumptuous ballets, never before given in San Jose because of its costly requirements.

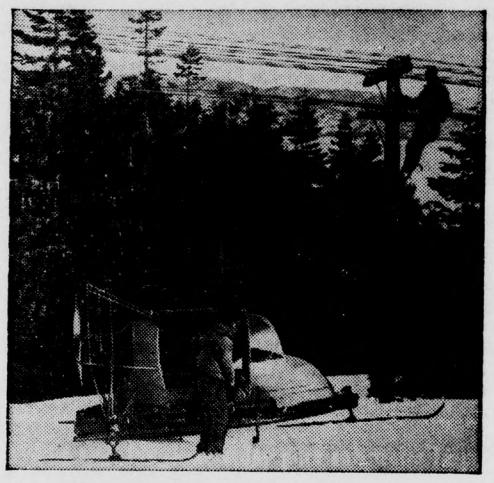
Debate on Russia

On Thursday evening following the ballet, on January 30, H. R Knickerbocker and Walter Duranty will be presented in an exciting debate on Russia, which will be followed by an open forum. Knickerbocker, ace correspondent for INS, will argue that the Soviet is an absolute despotism, menacing the freedom of the world, while Duranty will take the directly opposite view. Knickerbocker, who was stationed two years in Moscow, was in Paris when World War II broke out. In Germany to report the invasion of Holland and Belgium, in London during its worst bombings, ashore with the first wave of invading troops, he has a brilliant ability to state his facts, collected at first hand.

Walter Duranty, eleven years in Russia, who has covered all the events of Europe for the past 20 years for the New York Times, is equally authoritative and forcible. A brilliant, not-to-be-forgotten and profitable evening is assured.

STORM

Old Man Weather can be mighty tough on telephone lines, especially in the High Sierras and Cascades where snow often piles high enough to cover poles completely and ice builds up several inches thick on wires. But when a major break occurs, crews of telephone workers swing into action fast . . . and with some rather ingenious equipment.



A snoplane like this one, powered by an airplane motor and propellor, can carry two men and considerable material on trails which would be impossible for trucks. Other expert mountaineer workmen speed to the break on snowshoes and skis. As a special safeguard against sudden storms, well-equipped shelter huts have been built along mountain lines.

Enough men rush to the job to keep repair work going without stop . . . in the meantime, calls are immediately rerouted whenever possible. And sooner than you might imagine, the damaged lines are in use again. For here, as in everything we're now doing to grow with the West, telephone people work with a splendid spirit of service and teamwork . . . and always with *you* in mind.

An ever-improving telephone service ***at the least cost consistent with good wages and working conditions for our employees and a reasonable return to the thousands of people who have invested in the business.***

Wedding Vows Read

In an afternoon ceremony at Calvary Methodist Church in San Jose last Sunday Mrs. Charlotte Robertson Bronson became the bride of Mr. Robert F. Cresswell. The Rev. James H. Strayer performed the nuptial rites.

The bride, who is the daughter of Mr. and Mrs. M. S. Robertson, Winchester Road, was attired in a gown of dusty rose fashioned with a long train. She carried a bouquet of white carnations combined with red roses.

Attending her was her sister, Miss Margaret Robertson, whose gown was of blue taffeta. Her bouquet was pink carnations.

For the occasion the church was beautifully decorated with white candles, white stock and chrysanthemums. Silver bells tied with white bows marked the pews.

Following the ceremony a reception was held in the church parlors for about 75 of the young couple's relatives and friends.

The bridegroom, who is the son of Mr. and Mrs. T. Cresswell of Pendleton, Oregon, is employed in San Francisco, and the newly married pair will make their home in Burlingame.

When they left for their wedding trip to Yosemite the bride was wearing a suit of aqua blue with brown accessories complimented by a rose corsage.

CHRISTENING PLANNED FOR SUNDAY

Mr. and Mrs. H. E. Peck will attend the christening of their two grandchildren at Hamilton Field on Sunday. Receiving the baptismal rites will be little Sandra Lee, daughter of Lt. and Mrs. J. Hugh Rincon of Hamilton Field, and Master Richard L. Kankel, son of Mr. and Mrs. Charles I. Kankel of Campbell.

Following the ceremony in the chapel, a christening party will be held at the club house.

COUNTRY WOMAN'S CLUB MEETS

The Country Woman's Club of Campbell met for its regular meeting on Monday afternoon, Jan. 20, with Mrs. H. F. Cousins, president, presiding.

Featured on the program was Miss Lorraine Wood in a group of piano solos, "Rondo-Capriccioso" by Mendelssohn and "Minute Waltz" by Chopin.

Mrs. Ray Fish in a most interesting manner reviewed the book "The Miracle of the Bells" by Russel Jenney.

The committee who made arrangements for the afternoon were Mrs. Ray Wood, chairman, assisted by Mesdames L. E. Hendricks, E. A. Fahler, W. H. Scott and J. B. Arends.

The next meeting of the club will be "The Birthday Tea" on Monday, Feb. 3.

HOME FROM HOSPITAL

Harry Meader has returned to his Casey Road home to convalesce from a recent operation.

Eastern Star Meets

Campbell chapter 553, Order of the Eastern Star, held its regular meeting January 17.

Matron Thelma Akers and Patron Ray Martin presided at a meeting that was full of interest to all who were present.

The chapter was host to Leora McArthur, deputy state matron, 41st district, who was guest of honor.

In her usual charming manner, Mrs. McArthur gave a very inspiring talk.

A program of games, prepared by Sue Miller, secretary of the chapter, was enjoyed by all, after adjournment.

Refreshments were served and everyone took a very reluctant departure from the warm hall to the freezing outside weather.

CLUB PRESENTS LODGE WITH NEW REGALIA

At the last meeting of Ada Rebekahs the Past Noble Grand club presented the lodge with new regalia for the officers.

The club last met at the home of Mrs. Eva Dahl for a Christmas party. Present were Mesdames Anna Bachman, Lillian Oehler, Lottie Rice, Carrie Silver, Mary Brown, Lillie Carney, Alice Lathrop, Angela Quetin, Ruth Zimmer, Helen Rice, Edith Morley, Ivy Triplett, Bessie Merrill, Grace Garner, Theresa Brydon, Virginia Currie, Jessie Silberbauer and Myra Payne.

Entertains Guests

Mrs. Jennie McVea was hostess recently to friends from Maxwell, Iowa, Mr. and Mrs. Robert Applegate, Sr. While here, they celebrated Mr. Applegate's birthday by attending one of the breakfast broadcasts at Lou's Village where Mrs. McVea won the orchid awarded each time to the mother present with the most children.

This was the Applegates' first trip in the West and they were most enthusiastic. Among other entertainment arranged for them, was a drive to San Francisco and also to Oakland to visit two of Mrs. McVea's daughters and their families, Mr. and Mrs. Willis McKenzie and Mr. and Mrs. Melvin Jancik.

RETURN FROM LONG TRIP

Among the many Campbell residents who have recently returned from long trips are Mr. and Mrs. Fred Jones, who report that the Santa Clara Valley was the most wonderful part of the country they have seen to date and that they are glad to be back home. They spent two months motoring over six thousand miles and the trip took them through the Grand Canyon in Arizona, and then to the middle west where they visited Mr. Jones' relatives in Omaha, Neb. After stops in Iowa and Missouri they went to Oklahoma to visit relatives of Mrs. Jones.

On the way home they enjoyed San Antonio and Corpus Christi in Texas, the Carlsbad Caverns, El Paso and a glimpse of Mexico before entering the Imperial Valley.

TWO MINISTERS PARTICIPATE IN FUNERAL

At the funeral of Lon Pannell last week at the Rutherford Funeral Home both the Rev. Lawrence Osborne and the Rev. Robert Carlson participated in the final rites.

Pallbearers were F. H. Tucker, Claude Gard, Orrie Grizzle, Harry Abbott, James T. Relfe and Edward Relfe.

CAMPBELL VS. FREMONT

By the virtue of a last minute field goal by Bob Morris, the Fremont High School Indians downed the Buccaneers of Campbell High Schol, 35 to 33, in a game played at the Fremont gym last Jan. 17. The Indians also won the lightweight contest, 30 to 19. The varsity game was very close all the way with the biggest lead one of 6 points held by the Bucs with 3 minutes remaining. The local squad played good ball throughout the game, but was bothered slightly by Fremont's cut down backboards. Levi Estrada and Wayne Buck stood out for the losers with 9 and 7 points respectively. Bobbie Morris, Fremont's ace forward, paced the Indians with 11 digits, but Wetterstrom played a splendid game while scoring 7.

The Buc 30s were able to hold their own only in the first period, after which Fremont grabbed the lead permanently. Frank Shephard, Campbell guard, entered the game in the second quarter and played nice ball thereafter while netting 7 points. Fremont's center, Swanson, led the winners by chalking up 9 points. The two games played last week changed the season scoring records very little. Levi Estrada holds first place on the varsity with 57, and Brother Mel is next in line with 44. Vic Corsiglia and Ray Fish are tied for third with 31. On the 130s it's still Bill Magginetti, Ron LaMar, and Monte Dayton with 31, 29 and 24 points respectively.

CAMPBELL MAN VISITS CHINA

K. E. Stewart, 39, chief machinist's mate, USN, has visited the British Crown Colony of Hong Kong, China, while serving aboard the destroyer USS Brush.

The Brush, part of the U.S. 7th Fleet in Asiatic waters, is touring the China coast, Formosa and Korea.

During the war this destroyer played a major role in the final capitulation of Japanese forces. Over a year before the signing of the surrender she ventured as close as two miles from the entrance to Tokyo bay harassing enemy convoys. Surrender day, 1945, found the Brush again in the Tokyo bay area, only this time part of the Victory Fleet.

Stewart's wife, Mrs. Helen G. Stewart, is living in Campbell.

FINDS OLD NEWSPAPERS

Mrs. R. B. Hummel has contributed the following excerpt from the San Jose Mercury found in an old paper dated June 2, 1907. Many of the people mentioned are still Campbell residents.

Special to the Mercury.

Campbell, June 1—The Rev. George Atkinson entertained his Sunday school class of about twenty young girls at his home on Central Avenue Friday evening. The time was most agreeably passed in the usual social amusements. The young ladies presented their teacher with a fine case for his stereopticon outfit, which had been made to their order. Dainty refreshments made complete an enpoyable evening.

The Epworth League social and business meeting was held at the home of Miss Besie Palmer Friday evening. A pleasant and profitable time is reported.

The seventh and eighth grades had one of the jolly times for which these young people are famous at the home of James Reife Friday evening.

Dr Andrew Beattle, formerly of Canton, China, will address the morning congregation at the Congregational Church Sunday. In the evening the bi-monthly union service occurs at the Congregational Church, Dr. A. H. Needham preaching.

The County Womans' Club has decided to erect a small temporary building on its lot to house the library and furnish a meeting place for the club until the permanent structure can be built. The funds collected for the latter will not be drawn upon for the temporary building.

Mr. and Mrs. Charles Gilman, with their nephew and wife, Mr. and Mrs. Fowler, are on a camping trip to Yosemite.

Mr. and Mrs. Hyde, of Palo Alto, are visiting Mrs. William Kennedy, their daughter.

Mr. and Mrs. Curtis Hanger are at their mountain ranch back of Mount Hamilton.

Mrs. George Page made a short visit to San Francisco this week, where she was the guest of Miss Margaret Couch.

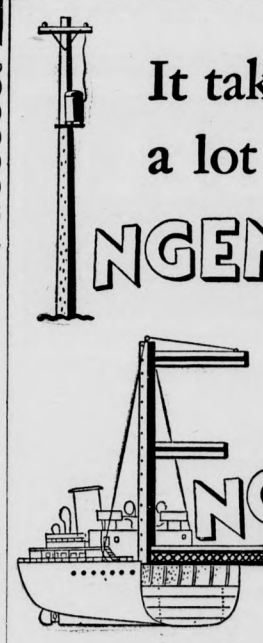
It takes a lot of INGENUITY ... NGINEERING to help meet Service Demands



We put up more miles of new electric lines in 1946 than in any previous year. We are ditching-in more pipe for new gas customers than we have ever done before. But we are not yet caught up with increased demands for gas and electric service to all customers.

- **Shortage of Equipment** — It requires 24 to 36 months to get delivery of essential transformers for substations and power lines. We are getting only a part of the gas pipe we need.
- **Shortage of Transportation** — Autos and trucks of every type needed to get men and materials on the job are as difficult to get as passenger cars.
- **Shortage of Labor** — The company is operating schools to train repairmen and line construction personnel. We need many more linemen.

It takes a lot of Ingenuity Engineering to maintain a dependable degree of service to our many gas and electric customers. At Eureka, for instance, we have converted half-a-wrecked ship into a steam-electric generating plant. We rebuild, salvage and scour the market for needed material new or used. During this new year of 1947 we hope a lot of needed items will become more plentiful for all of us.

SCOUT BASKETBALL TEAM LOSES TO "Y"

The Y.M.C.A. "potshots" and the "Moreland Minutemen" — Scout Troop 36's basketball team—really lived up to their names as the Potshots outshot the Minutemen to win, 33-29, in a fast game at the Y.M.C.A. court last Saturday afternoon—and the Minutemen lost in the last minute of play.

The Minutemen, who were playing their first game, were very satisfied with their showing with the Potshots as the latter lead the junior basketball league of San Jose.

The game was even closer than the s core indicates and the losers came within a minute of winning after leading throughout the contest.

The first half belonged to the Minutemen completely as they ran up a 17-2 first quarter score and gained a 27-17 lead at half time.

But then the Potshots began to really play and rapidly overtook the "tuckered out" scouts. While holding the Minutemen to two points they gained 16 to win.

The Scouts organized the Minutemen to take the place of lessened activity during the winter and anticipate playing against other troops as well as the 'Y" teams.

A re-match with the Potshots has ben arranged for February 1 with Bob Culbertson, boys' director at the "Y" and coach of the Potshots, who said the Minutemen "have the nucleus of a fine team and a little practice together would make them a really formidable opponent."
